11/12

Designed by SGD and produced in limited quantities by Capo Cycling Apparel, our 2011/12 cycling collection is a premium selection of high-end fabrics and technology designed to provide the avid cyclist with exceptional comfort, fit, performance and durability.

For 2011/12 we will be placing one order on August 15, 2011. Please pre-order to reserve your kit as quantities will be very limited.

S.CORSA+

Our S.Corsa+ level jersey and bib short utilize excellent quality fabrics and technology in a race inspired cut and finish. These are the same pieces we produced for summer of 2011 with only small refinements to the design. We design all of our clothing to exceed the requirements of the most demanding cyclist. This kit sets the bar for form, fit, function and durability.

COOL WEATHER

Our cool weather jersey and vest offer unmatched comfort and function for fall, early winter and spring rides. These items utilize the same race cut as our S.Corsa+ jersey for a form-fitting close to the body fit. The long sleeve jersey is cut slightly longer in the arms to accommodate your reach to the bars without being too short. The wind vest has become a favorite and an indispensable piece throughout the year on those not-so-perfect weather rides.

LONG SLEEVE JERSEY | \$119

Mid-weight warmth long-sleeve with a fleece backed interior for added comfort. Made in Italy by Capo.
